Terminal Disclaimer

1. The terminal disclaimer filed on July 27, 2007 disclaiming the terminal portion of any patent granted on this application which would extend beyond the expiration date of the full statutory term prior patent No. 6,871,221 has been reviewed and is accepted. The terminal disclaimer has been recorded.

EXAMINER'S AMENDMENT

2. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.
3. Authorization for this examiner's amendment was given in an interview with attorney of record Jon Gibbons (Reg. No 37,333) on July 27, 2007.
4. The application has been amended as follows:

a) In the Claims:

Claim 1 line 5, "more c local" has been replaced with – more local --.

Claim 13 line 4, "more c local" has been replaced with – more local --.

Claim 14 line 4, "more c local" has been replaced with – more local --.

Claim 15 line 4, "more c local" has been replaced with – more local --.

REASONS FOR ALLOWANCE

5. The following is an examiner's statement of reasons for allowance: Claims 1-15 are allowable over the prior art of record.

The examiner had found that the prior art of record does not teach or suggest or render obvious "A method in a client-server environment, to manage a configuration of resources on at least one client system. The major differences in the independent claims 1 and 13-15 are not found in the prior art of record that receiving on a client system from a server system a file of one or more predetermined events along with one or more local run-time environmental conditions along with one or more selectable configuration settings, wherein the local run-time environment conditions are determined after a client system has started, and wherein the selectable configuration settings are specific to a group of users on the client system. Running a monitoring agent on the client system to detect when one or more predetermined events occurs then determining if the one or more local run-time environmental conditions are met and if the conditions are met then automatically applying at least one of the one or more selectable configuration settings on the client system." as in claim 1 and 13-15.

6. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance or Examiner Amendment."

7. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Faruk Hamza whose telephone number is 571-272-7969. The examiner can normally be reached on Monday through Friday.
